CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

ENVIRONMENTAL PROTECTION ENGINEERING S.A.
24, Dervenakion Street
185 45, Piraeus
Greece

has been approved by Lloyd's Register Quality Assurance
to the following Quality Management System Standard:

BS EN ISO 9001:2008

The Quality Management System is applicable to:

Design, production and sales of anti-pollution equipment. Provision of clean-up services for the marine environment. Management of hazardous and non hazardous waste (collection, transportation and disposal). Cleaning, collection, removal, transportation and management of the final disposal of oil, non hazardous, hazardous noxious and other polluting substances from sea, coastal and land areas. Management and provision of asbestos removal operations. Production and sales of anodes. Sales of safety systems and navigation aids. Provision of spill (oil and other hazardous substances) response training. Identification, sampling, reporting and preparation of Inventory of Hazardous Materials (IHM) on board vessels. Provision of Port reception facilities for ship generated waste and cargo residues. Development of waste management plans of Ports reception facilities. Collection, transport and management of category 1, 2 and 3 animal byproducts. Cleaning services of outdoor land spaces and facilities.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.
